

Big Brothers Big Sisters
BEYONDSCHOOLWALLS

**Want to make a difference in the life of a child?
Maybe becoming a Big Brother or Big Sister is for you!**

**Join us for lunch on Tuesday, August 16th at VideoRay in the Training Room
from 12:00-1:00 PM to learn more!**

Volunteer During the Work Day:

Big Brothers Big Sisters Independence Region is currently reaching out for mentors from **VideoRay and the Pottstown community** to be matched to students from Pottstown Middle School as part of their Beyond School Walls workplace mentoring program.

Program Commitment:

This program asks minimal commitment from you: a one hour-long visit, twice a month, at VideoRay, during your lunch hour. The program runs from October until the beginning of June.

“My Big Brother helps me do my homework. He tells me to do the right thing. The best thing is he’s a great guy and cool to spend time with. He’s like my real brother.”

- Little Brother Raquon
